

The Sixth Cookie

Lonoke County's Peanut Butter Clusters

1 Tbsp. of butter (not margarine)

1 cup dark syrup

1 cup sugar

1 cup crunchy peanut butter

4 cups of corn flakes (Kellogg's brand)

Melt butter in a heavy saucepan. Add Karo syrup and sugar. Stir for two minutes on medium heat. Remove from heat, add peanut butter and mix thoroughly. Pour corn flakes in a medium size mixing bowl, pour mixture over corn flakes and coat all flakes. Then pour mixture onto a large sheet of wax paper.

Take a spoon and move over to the side of the paper to create enough space for one cookie. Continue moving over enough for other cookies, so that there are about 15. Press with fingers to make them stick together.

Cool for a few minutes and enjoy.
